Sign in with your new account

Tap "Sign in with your
new account".

Authorization

The image shows a web browser window displaying the DriveBoss authorization page. The page has a dark header with the DriveBoss logo. Below the header, there is a message: "Your account is ready. Your username is +12012098527." This is followed by two input fields: "Phone number" containing "+12012098527" and "Password" containing a series of dots. Below the password field is a link that says "Show password". At the bottom of the form is a large, dark blue button with the text "Sign in" in white. A yellow rectangular box highlights this button. A yellow arrow points from the bottom left towards the "Sign in" button. Below the arrow, there is a text box with instructions. At the very bottom of the page, there is a link that says "Forgot your password?" and a link that says "New to DriveBoss? Create an account".
